

Dear SSRA athletes and families,

April 26, 2009

You are invited to participate in the 2009 SSRA Summer Ski Racing Camps being held at Mt. Hood, Oregon! Again this year we are offering two separate giant slalom/slalom camps. The first has been re-scheduled for **June 19-26** and the second is planned for July 18-25. If you have questions about the best session for you, please give me a call or shoot me an email.

New This Year: We will be staying in a new camp house in the same part of Government Camp.

Not New this year: The price! We are holding prices to 2008 rates in spite of cost increases. Consider this our ski racing stimulus program!!

Back again by popular demand... Van transportation is available to/from Spokane. Also, online credit card payments are accepted (link will be active by Wednesday, April 29th)! Rest days are part of BOTH sessions.

Whitewater rafting and other special activities are planned for rest days.

Both SSRA Summer Ski Racing Camps are designed for athletes to span the seasons more effectively and to be better prepared for a successful 2009-2010 season! In fact, the summer months have become a critical training period for alpine ski racers. Since races begin early in the winter season, many look to summer camp to make their most fundamental improvements in their skiing to carry them through the season at a new level. In addition, summer training camp is the only time to "demo", or test, next year's equipment. It is during this time that athletes determine what will work best for them for the upcoming season.

CHECK OUT THE ATTACHED SUMMER CAMP BROCHURE AND REGISTER TODAY ONLINE OR BY MAIL, AS SPACE IS LIMITED. CALL (509) 979-7499 WITH ANY QUESTIONS. THIS SUMMER, JOIN US FOR A FUN AND PRODUCTIVE CAMP ON MT. HOOD. SEE YOU ON THE GLACIER!

Sincerely,

Chuck Holcomb, Program Director/Head Coach
