

Spokane Ski Racing Association
"Committed to Skiing Excellence"

Dear Donor,

The Spokane Ski Racing Association's 15th Annual Benefit Event will be held on Friday, February 26th, 2016 at The Lincoln Center. With over 125 people expected in attendance, this evening will benefit 100+ young athletes age 5 through 18 from the Spokane area. As the program has grown, so has our need to raise money to help keep ski racing affordable to kids from the greater Spokane area.

SSRA is a non-profit organization that promotes the sport of ski competition throughout the Inland Northwest. For the past 50 years, SSRA developed skiers in a healthy atmosphere of competition while establishing a successful reputation of sustained excellence. Athletic fitness, individual responsibility, and positive self image are goals of each SSRA program while our code of ethics helps to develop moral character in our athletes.

The team operates at Mt. Spokane Ski and Snowboard Park and has enjoyed remarkable success over the years helping athletes rise to the most elite levels of the sport. SSRA has created US Ski Team members, Junior Olympic Champions, Whistler Cup participants, and Buddy Werner champions. In the last ten years alone, SSRA athletes have stood on the podium over 30 times.

You are invited to be a part of this exciting event by being a donor and benefactor supporting the athletic efforts of the Spokane Ski Racing Association. Your organization will be listed in the Auction Catalog distributed to all attendees. Please consider making a donation. All donations are tax deductible. Please refer to the following:
