

SPOKANE SKI RACING ASSOCIATION

2011-2012 FAMILY VOLUNTEERING & SUPPORT FORM

Participation in Fundraisers: Successful SSRA fund raisers take significant membership support!

Golf Tournament (Sunday, September 18, 2011): SSRA members are asked to play, and form a foursome if possible. If you business, or a business contact of yours, would like to sponsor a hole, it would be greatly appreciated!

Ski-A-Thon (Saturday, December 31, 2011): Each athlete is asked to raise \$100 in pledges for this fun Holiday Camp celebration.

Auction (Saturday, March 3rd, 2012): Each family is asked to donate 1-2 auction items and a bottle of wine (for an instant wine cellar). Each family is required to purchase 2 tickets to insure the success of this critical team fund raising event. Tickets are \$50 each and can be paid when enrolling in SSRA or at the team registration night, Wednesday, November 30th, 2011. Members must purchase tickets prior to the first day of skiing. At registration night, tickets will be issued to each member. Members can use the tickets or sell them to others.

Volunteering

To maintain the inclusive and competitive nature of SSRA, significant volunteer efforts are required each year, from each member family of SSRA. In fact, SSRA has a proud history of volunteerism that has set our organization above others.

SSRA is a 501-c(3) not-for-profit organization. Annually, SSRA pays 60% of its expenses through athlete tuition and 40% through dollars raised in fund raisers and race events. It is easy to see how much tuition is subsidized by volunteer-driven events!

Please indicate which days you can volunteer. While many families volunteer in each fundraiser and for each race, not every family can do so. However, each family is asked to volunteer for at least five volunteer-days; with three being race days. If you are a new SSRA family this year, you are asked to volunteer for three days.

How are the days counted? Any adult who contributes a day of volunteering counts as a volunteer-day. So, having a mom and dad both work on one race day counts as two volunteer-days! Also, many folks ask friends to help out. These count towards your days as well. **What else should I know?** On race days, each on-hill volunteer is given a lunch, a lift ticket, and a lift ticket voucher for another day! **What if I simply do not have time?** You can exercise the volunteer buy-out option (\$500 for returning members). **Do I really need to fill this out?** SSRA families have the best volunteering reputation in the Northwest. This form is an outline of expectations (we know members will follow through without a formal agreement!). More importantly, this form helps the organizers of events know, in advance, which events will need more outside help! ☺

	Bob Simpson	999-3568	999-3568	robertdavidsimpson@gmail.com

Subcommittees for each event and for corporate sponsorship need your help. Sharing contacts and donating time are the primary and most effective ways of contributing. Please contact appropriate chairpersons to volunteer for specific events and efforts.

Specific Event Roles and Responsibilities

Car Wash: We need athletes who can help out setting up, holding signs, and washing vehicles. We will also be handing out information about SSRA.

Golf Tournament: We need help securing hole sponsors and enlisting golfers/teams!

Ski-A-Thon: Prizes procurement, registration/bookkeeping

Auction: Procurement, procurement collection, Data entry/computer, program creation/sponsors, event set-up, membership outreach, registration

Corporate Sponsorship: Company outreach, membership outreach, promotional tool development, community visibility

Race Committee

The SSRA race committee is experienced and continuously looking to educate newcomers! The fall officials clinic takes place in October. This is a great way to get started and learn about working a race. And, SSRA in-house training is a primary way that expertise is passed on in a variety of roles. In other words, you will be trained!

In total, it takes at least 75 volunteers for each race day!

Duties include:

Race venue set-up	Timing/Calculations	Course Maintenance	
Race administration	Hospitality	Announcers	Gatekeeping
Volunteer Coordinators	Wiring	Start/Finish crews	Scoreboard

Get involved. It's fun. It's rewarding. It's for the kids!
